

Richard Donald Hembree

11/15/1946 ~ 11/6/2020

Those closest to me know that my father has been struggling with poor health issues for a while now. We have been in and out of the hospital for the past 3 months. With a heavy heart I want to inform our friends and family that my father's fight is over. He suffered from multiple strokes recently, and it appears to be a stroke that finally took his life. We will be having a memorial service, for friends and family to pay their respects, at Christian Center Church on 11/16/2020. We will have a wake beginning at 5:30pm, with a memorial service immediately following at 6:00pm. I would like to thank Pastor Charles Chesteen, a very close personal friend of ours, for providing the service, and ask that anyone who attends please wear a mask to follow the church's safety protocols (no exceptions).
