

Kenneth J Davis

September 25, 1947 ~ December 27, 2020

Kenneth John Davis passed away peacefully on Sunday, December 27, 2020. He was born in Marshfield, WI, where he grew up on the farm with his many siblings.

He served in the army before becoming a contractor and business owner. Above all, he loved his children, grandchildren, devoted companion, and family. He was preceded in death by a loving wife and mother to his children as well as his parents, many siblings, and others. He enjoyed Good food, Good music, Hunting, Old Westerns, and Football. He will be deeply missed but we take comfort in knowing he is no longer suffering. Thank you to Clarity Hospice for supporting our family and keeping him comfortable in his final days. Ken requested no formal services. A small celebration of life will be scheduled at a later time.
