

Terry Wayne MacDonald

February 7, 1955 – September 10, 2021

Terry Wayne MacDonald would like for everyone to know that on September 10, 2021 at 5:47 p.m. his Lord called him home, he wasn't given a choice of whether or not he wanted to go, he fought for almost 8 months to stay, the angels that he saw in the room had orders to bring him home. I'm sure his brother, Daryl and Rusty, his dog, were waiting at Heaven's gate to welcome him in. He was born on February 7, 1955 in Blytheville, Arkansas he was 66 years old. He retired from Shell Geismar after 30 years of loyal service. He took great pleasure in spending time with his family, riding his motorcycle, cutting his grass, and playing with his fur baby Sassy. He loved bonfires and going to the beach with his family. He was extremely proud of the accomplishments of his youngest daughter Meri. He is survived by his wife, Tammy MacDonald, whom he loved with his whole heart and who will love him beyond eternity, two natural children and their spouses, Chad and Trish MacDonald and Crystal and John Ezell, and three daughters of his heart, Alice Graves and her husband Dustin Graves, Emily Patterson, and Meri McLin, twelve grandchildren; Austin and Emma Gregory, Mason MacDonald, Kohner Ezell, Trevor and Katlyn McLin, Daniel Walker Jr., Caiden Weidus, Joey and Hailey Matthews, Waylon Fowler, and Lyric Graves, two sisters, Paula Chism and Twyla Banks, His mother and Dad Betty and Jerry Wade. He is preceded in death by his father Phillip Charles MacDonald and his brother Phillip Daryl MacDonald. He was an extremely loving husband, father, grandfather, and friend and saying that he will be missed is insufficient. There will be a memorial service held at his home at 43609 Hwy 16 Pine Grove, La. 70453 at 3 P.M. on Saturday September 18 in lieu of a funeral for anyone who wants to attend.
