

Armand Dikran Melikyan

September 13th, 1970 ~ November 29th, 2021

Armand Melikyan went home to be with the Lord on Monday, November 29, 2021.

He was born in Kansas City, Missouri to Arman Vargash and Carolyn Lois (Rutkowski) Melikyan. He was the youngest of three and leaves behind sisters Christina Melikyan (Micheal) Learned and Annette Melikyan Molino; goddaughter and niece Rachel Molino; nieces Nicole Molino and Katelyn Learned; and nephews Alex Baszis, Christopher Learned, Daniel Learned and Nick Learned. He also leaves his precious beloved daughter, Emma Shawn Hopkins (Tracy Hopkins), as well as many friends and colleagues.

Armand received his B.S. in Chemical Engineering from Louisiana State University in 1994 and worked primarily in process engineering for his entire career primarily in south Louisiana. He acquired his professional engineering (PE) license in 1999 and was a six-sigma black belt since 2000. Armand was a PE in Louisiana, Maryland, Montana, North Carolina, Ohio, and West Virginia. Armand most recently worked as a Senior Process Engineer for Nutrien's Nitrogen facility in Geismar, Louisiana, where he helped to drive many improvements throughout the facility and was considered a huge asset to the team and well-liked.

Armand was also an Executive Committee member of the local section of the American Institute of Chemical Engineers in which he held various officer positions over the years. He was Chair in 2012 and most recently was also Seminar Coordinator since 2006. He was also a member of the National Association of Corrosion Engineers (NACE).

Armand was also an avid runner and gym member and competed in several triathlons. He was a member of the United States of America Triathlon Association (USAT). Armand also enjoyed traveling and was active in hiking in the west and southwest.

In May 2011, Armand made a profession of faith and accepted Jesus Christ as his Savior at Central Baptist Church. He would always say when talking to someone going through difficulty, "Hey man, you know this stuff is just temporal." Armand was active in his church of membership, Healing Place in Baton Rouge, Louisiana. It should be a comfort to all, and Armand would want all to know that he is secure and at peace in heaven. He would also want his family and especially his daughter, Emma Hopkins, to know that he deeply loved them. His hope would be to be rejoined in heaven one day with them.

Visitation will be held on January 8th, 2022, from 12:30-1:30 pm, followed by a memorial service from 1:30- 2:30pm at Open Door Baptist Church, 7000 Glory Land Way, Denham Springs, LA 70726 for his loved ones, friends, co-workers, and colleagues.
