"Pawpaw" was born in Toro, LA and raised in Anacoco, LA. During his Senior Year at Anacoco High, he was drafted into the US Army and served in World War 2 as an artilleryman in the South Pacific, making the landings at Saipan & Tinian, Pelileu, Leyte and Mindanao and Okinawa. After his return from the war, he completed his high school education and graduated from Anacoco High School. After the war Pawpaw moved to Baton Rouge, LA where he found a job working as a welder for Solvay, Formosa Chemical and Allied Chemical while attending trade school at night to become a HVAC technician. After leaving the plant jobs

he founded Marsh Refrigeration and worked for many years in his own HVAC business. Walker loved his church and was an active member of Walker Baptist Church where he served as a deacon for many years.

Walker's love for his wife and family was second only to his love of Jesus. He read the Bible daily and prayed with his wife. He believed the Bible, lived the Bible and witnessed to others by his words and deeds. His greatest desire was for his relatives, children, grandchildren, and great-grandchildren to know Christ, love Him, commit their lives to Him, and live for Him. In his prayer life, he prayed for his friends and family daily and looked forward to the day that we would all be together in Heaven.

Walker is greatly missed by his family, but there is also an underlying joy in knowing that he is no longer suffering with illness and is in the presence of all those he loved best. The smile on his face and the twinkle in his eyes when he sees his wife and family members will only be matched by his joy at seeing the face of his Lord. Walker was a wonderful, loving father and a faithful and loving husband to his wife. All will miss his warmth, his wide smile and joyful enjoiner to "put on the coffee"! But most of all we are joyful that he will be hearing those words, "Well done thou good and faithful servant; enter into the joy of your Lord". (Mt 25:23 KJV).
