

Garland F. Millet

May 6, 1938 ~ April 12, 2022

On April 12, 2022, Garland F. Millet of Baton Rouge, 83, died from complications of Parkinson's Disease. He taught history at Southern University for approximately 42 years. Former co-workers say that his laugh filled up the room, and described him as fun to be around, unique, a good man. A memorial service is scheduled for June 10 in Huntsville, Alabama. Condolences may be offered at .
