Branson was called & taken home way too soon. However, he was called home before he ever knew any pain &/or unhappiness. He was born directly into the arms of the Lord & into the gates of Heaven. As parents, we are selfish & want nothing more than for him to be here & in our arms. However, being in Gods arms, he'll never know anything but peace. He's beyond happy, playing & laughing with the other babies & children that are no longer earth-side.

Our lives were touched by his struggle to be here/the joyful surprise that we got to know him at all. Please keep us in your thoughts as we prepare & come to terms with our lives here without him.

It is with heavy hearts that we honor & say goodbye to our precious babyboy.

Some people only dream of angels, we held one in our arms.

There will be a memorial service at Seale in Denham Springs on August 27th.  
Visitation starts at 1. Services start at 2.
