Sally grew up in Baton Rouge and attended Baton Rouge High School where she graduated in 1952 and attended LSU. She worked for DOTD in the Road Design Division until her retirement and spent her later years volunteering in various places in Denham Springs. She was a member of the Pilot Club, Garden Club and Chamber of Commerce, all in Denham Springs. Many summers she helped with the Latch Key Program through the local police department. You could find her attending the First United Methodist Church and First Baptist Church both of Denham Springs, because she loved them both! Wherever she went she knew someone as she never met a stranger. She truly appreciated the outdoors through bird watching and gardening as well as enjoying fishing and other activities. She also was an avid LSU fan and most recently a Joe Burrows fan. What she loved the

most was spending time visiting with her family and friends. If you had the pleasure of meeting her, you knew that she was quite a character and loved to laugh! She will be missed by so many people but we are comforted knowing that she is in heaven with her Lord and Savior, while surrounded by those who've gone on before her.
