Gladys Tyler Tucker died on May 25, 2023. She was born Gladys Ernestine Tyler on Jan 9, 1942 at home in Walker, LA. She led a life of many pursuits, partnering with her late husband George Tucker in founding Tucker's Seafood in Plaquemine, LA, a prosperous seafood restaurant and market, with multiple other locations over the years. Gladys was proudly anticipating the upcoming celebration of the 50th anniversary of Tucker's Seafood to be held at its current location in Zachary, LA later this year. She loved to garden, fish, hunt, and spend time outside and with her family and friends. She loved her best friends Gary and Michelle Ayo dearly, with whom she shared many laughs and good times with. Gladys had a strong personality, and would give you a lecture on the world going to hell in a handbasket one second and whip you up the best batch of fried seafood you'd ever eaten in the next. She was a spitfire with a soft heart and will be dearly missed.
