“I went home for Christmas....”

I went home for Christmas and oh what I did see there before my eyes such wonder and glee

I was greeted by loved ones

I'd not seen in so long.

They came running to meet me
to welcome me home.

What joy, what happiness I felt when just there

It was so overwhelming it can't be compared

Then I saw him before me

The one I've waited so long to see...

I knew this wasn't just a visit, this is eternity!

I did not turn away nor did I look around
His arms wrapped around me
oh such love I have found!
He said child well done you're home is now here
My heart leaped within me so full of cheer!
I went home for Christmas oh what I did see...
Whenever you get here you'll share it with me
