Everyone should be lucky enough to have a mother like Gloria Badeaux. She believed in getting a good education. She attended LSU with her 2 elder children and homeschooled her eldest great-grandson. She made learning fun. Gloria made up songs and stories for us. Tea was a daily occurrence for anyone who stopped by. She loved children. She was a happy person

Gloria Badeaux was the Deferred Compensation Rep for most of the state of Louisiana from 1982 to 2007. She believed that everyone should have a lump sum of money saved for a rainy day. She believed in helping people. She lived what she believed.

Thank you for all of the prayers and well wishes on her behalf.

Per her request, a memorial service will be held for her later this Fall at the Beach.
