REMEMBER ME

Don't remember me with sadness, Don't remember me with tears, Remember all good times,

Shared throughout the years.

Now I am contented

That my life it was worthwhile, Because I know by loving you That I made you smile.

When you are walking down the street And you've got me on your mind, I'm walking in your footsteps Only half a step behind.

So please don't be unhappy

Just because I'm out of sight, Remember that I'm with you Every morning, noon and night.
